Plan Information

When is my policy effective?	Coverage is effective after you satisfy any waiting period required by your employer. Coverage will not begin until Guardian has approved any amount subject to medical underwriting.
Do I have to answer medical questions as part of purchasing insurance?	If you decide to purchase more than the amount guaranteed by Guardian or enroll after the open enrollment period, you must answer some medical questions to help us assess your insurability.
Can I take the policy with me if I leave the company?	You can port this coverage to a group conversion trust.

Voluntary Critical Illness and General Exclusions

We will not pay benefits for the First Occurrence of a Critical Illness if it occurs less than 0 months after the First Occurrence of a related Critical Illness for which this Plan paid benefits. By related we mean either: (a) both Critical Illnesses are contained within the Cancer Related Conditions category; or (b) both Critical Illnesses are contained within the Vascular Conditions category. We will not pay benefits for a Recurrence (second occurrence) of a Critical Illness unless the Covered Person has not exhibited symptoms or received care or treatment for that Critical Illness for at least 0 months in a row prior to the Recurrence. For purposes of this exclusion, care or treatment does not include: (1) preventive medications in the absence of disease; and (2) routine scheduled follow-up visits to a Doctor. We will not pay benefits for more than one Recurrence (third or later occurrence) of any Critical Illness. First & second occurrence refers to the first & second time an insured experiences or is diagnosed with a covered critical illness while covered under Guardian Critical Illness insurance. If the plan is new (not transferred): During the exclusion period, this Critical Illness plan does not pay charges relating to a pre-existing condition. If this plan is transferred from another insurance carrier, the time an insured is covered under that plan will count toward satisfying Guardian's pre-existing condition limitation period. Please refer to the plan details for specific time periods. State variations may apply. A pre-existing condition includes any condition for which an employee, in a specified period of time prior to coverage in this plan, consults with a physician, receives treatment or takes prescribed drugs. We do not pay benefits for claims relating to a covered person taking part in any war or act of war (including service in the armed forces), committing a felony, taking part of any riot or other civil disorder or intentionally injuring themselves or attempting suicide while sane or insane. Employees must be legally working in the United States in order to be eligible for coverage. Underwriting must approve coverage for employees on temporary assignment: (a) exceeding 1 year; or (b) in an area under travel warning by the US Department of State (including service in the armed forces), committing a felony, taking part of any riot or other civil disorder or intentionally injuring themselves or attempting suicide while sane or insane. Guardian's Critical Illness plan does not provide comprehensive medical coverage. It is a basic or limited benefit and is not intended to coverage all medical expenses. This benefit summary summarizes the major features of the Guardian Critical Illness benefit plan. It is not intended to be a complete representation of the proposed plan. The policy has exclusions and limitations that may impact the eligibility for or entitlement to benefits under each covered condition. For full plan features, including exclusions and limitations, please refer to your Policy or contact your sales representative.
